MEMORANDUM FOR: Assistant to the Executive Director-Comptroller
SUBJECT : Recruitment Advertising Committee

Ben:

25X1 Attached at Tab 1 is a memorandum of 24 October 1967 from [redacted] to the Recruitment Advertising Committee (RAC) pointing out that the charter for RAC was never formally established. Also in this package are other papers pertinent to the establishment and refinement of the activities of the RAC. Attached at Tab 2 is a note for the record signed by 25X1 [redacted] in 1965 which pointed out that Colonel White did not want a formal issuance at that time. You will note that the revised charter mentions coordination with Central Cover Division on non-attributable advertising. I cannot furnish you with any details as to why Central Cover has not been involved. We can only surmise that at "second blush" [redacted] may have reached an agreement with his superiors that Cover's participation was not needed. 25X

I should point out that since 1967 a "body of law" has evolved based on guidance we have received orally and on buck slips from DD/S and Executive Director. At the present time Agency-identified advertising as well as non-Agency identified advertising goes to the Executive Director through the DD/S after review by the Recruitment Advertising Committee and approval of the Director of Personnel.

For over three years the RAC has been chaired by the Deputy Director of Personnel. Other members are the Special Assistant to the Director, [redacted] or his alternate [redacted] [redacted] of the Office of Security, and the Deputy Director of Personnel for Recruitment and Placement. The secretariat function is in the Office of the Director of Personnel. 25X

~~CONFIDENTIAL~~

I suggest that you may wish to prepare a memorandum for Colonel White's signature which designates the DD/S as the final approving official for Agency recruitment advertising and further continues the RAC as now constituted and following the same procedures and format that have been developed over the years.
